Declaration: (To be signed by the authorised person responsible for the R/T)

I understand and accept that:

*These radio channels are provided for use on legitimate forestry related business only and will be used strictly in accordance with the Radio Procedures policy as de down by Taumata Plantations Ltd.

*When the Contractor ceases to have a legitimate need to used the forestry channels, the R/T will be returned to a service provider to have all associated channels and related configurations removed at the R/T owner's expense.

(A written statement is required from the service provider in each cast, certifying that this work has been carried out).

Taumata Plantations Ltd reserves the right at its discretion to allocate channels to or require removal of channels from any R/T, or specify technical configuration changes in line with radio network management at any time. Any costs incurred in such reconfiguring or replacement of R/Ts will be met by the R/T owner
