Declaration: (To be signed by the authorised person responsible for the R/T)

I understand and accept that:
* These radio channels are provided for use on legitimate forestry related business only and will be used strictly in accordance
  with the Radio Procedures policy as set down by the Radio Network Owners group.
* When the Contractor ceases to have a legitimate need to use the forestry channels, the R/T will be returned to a service
  provider to have all associated channels and related configurations removed at the R/T owner's expense.
* The Radio Network Owners group reserves the right at its discretion, to allocate channels to or require removal of channels
  from any R/T, or to specify technical configuration changes in line with radio network management at any time.
  Any costs incurred in such reconfiguring or replacement of R/Ts will be met by the R/T owner.
